

STEM Fest Exploration Guide

Welcome to NIU STEM Fest! We hope you have a great time exploring the activities we have this year. As you participate in the activities, choose 5 stations and complete all the boxes.

<p>1 Which station did you visit?</p>	<p>Which panda(s) shows how you felt about this activity?</p>

Write down one idea that is something new you learned at this station.

<p>Which part of STEAM did you use most? If you are not sure, it is okay to ask!</p>	<p>Ask one of the people at this station what they do for their job. Is this a job you might want to do when you grow up?</p>			
<p>Science</p>	<p>Technology</p>	<p>Engineering</p>		
<p>Art</p>	<p>Math</p>			

STEM Fest Exploration Guide

2

Which station did you visit?

Which panda(s) shows how you felt about this activity?

Write down one idea that is something new you learned at this station.

Which part of STEAM did you use most?
If you are not sure, it is okay to ask!

Science

Technology

Engineering

Art

Math

Ask one of the people at this station what they do for their job. Is this a job you might want to do when you grow up?
