

STEM Fest Exploration Guide

Welcome to NIU STEM Fest! We hope you have a great time exploring the exhibits we have this year on campus. As you travel around and engage with the exhibitors, complete the templates for the five stations you found most interesting or exciting.

1	Which exhibit did you visit?	What role(s) does the person/people presenting at the exhibit have with this organization?
		<hr/> <hr/>

How would you explain this exhibit to a friend and/or family member?

What did you find most interesting about this exhibit?	How does this exhibit connect to STEM related careers?
